

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

..title

AN ORDINANCE relating to the appropriations for the Seattle Department of Transportation; amending Ordinance 125207, which adopted the 2017 Budget; and imposing a proviso.

..body

WHEREAS, The American Medical Association and the American Academy of Pediatrics

recommend that secondary school students start school after 8:30 a.m.; and

WHEREAS, beginning with the 2016-2017 school year, as a result of this recommendation,

Seattle School District No. 1 (“Seattle Public Schools”) switched the start times for

elementary and secondary students, which has resulted in elementary schools starting

before 8:00 a.m., creating challenges for young children going to school in darkness; and

WHEREAS, the Seattle School Traffic Safety Committee (which includes representatives from

the Seattle Department of Transportation, Cascade Bicycle Club, Seattle Police

Department, Seattle Neighborhood Greenways, and Seattle Public Schools Transportation

Department) has stated that elementary schools should start no earlier than 8:00 a.m. in

order to maximize student safety while walking to school; and

WHEREAS, the three-tier bus and bell schedule has resulted in three different school start times,

creating challenges for parents with children at multiple grade levels; and

WHEREAS, Seattle Public Schools parents have asked the District to move from a three-tier bus

and bell schedule to a two-tier schedule; and

WHEREAS, Seattle Public Schools has made a formal request to the City to provide up to \$2.3

million in transportation expenses to implement this change; and

1 WHEREAS, Seattle Public Schools expects to secure future funding from the State of
2 Washington Office of Superintendent of Public Instruction for these transportation costs;
3 and

4 WHEREAS, the proviso imposed by this ordinance would allow for one-time funding to be
5 provided from the Seattle Department of Transportation to enable Seattle Public Schools
6 to make the transition from a three-tier bus and bell schedule to a two-tier schedule;

7 NOW, THEREFORE,

8 **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

9 Section 1. The following proviso is imposed on the 2017 Budget:

10 Of the appropriations for 2017 for the Seattle Department of Transportation,
11 \$2,300,000 is appropriated solely for the Seattle Department of Transportation to
12 fund one-time-only transportation services for Seattle Public Schools and may be
13 spent for no other purpose.

14 Section 2. The City Council anticipates that \$2,300,000 is the total amount that will be
15 spent by the City to enable Seattle Public Schools to make the transition from a three-tier bus and
16 bell schedule to a two-tier schedule. In the event that less funding is needed, the Executive may
17 propose future legislation to lift the budget proviso from the remaining funds.

1 Section 3. This ordinance shall take effect and be in force 30 days after its approval by
2 the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it
3 shall take effect as provided by Seattle Municipal Code Section 1.04.020.
