WORKING TOGETHER

Mary's Place supports housing providers and families

We understand the importance of reducing risks in order to maximize Return on Investment (ROI) for your property. The Mary's Place housing program includes:

- Applicant families that are pre-screened
- Fast replacement of residents when a vacancy occurs
- Assistance with move-in costs and deposits
- Mary's Place Housing Locator is an advocate for the housing provider and your partner in reducing risk and maximizing ROI
- Mary's Place Housing Stability Specialist works with the resident family to connect them with resources for rental assistance, eviction prevention, and a support network
- Mitigation Fund is available to reimburse housing providers for financial losses if damage is caused by a resident family
