Dear Friends,

Together we did what most opinion leaders thought was impossible just eight months ago. In our city of Seattle, we won passage of the first progressive income tax in Washington State since the 1930s. Now it's time to celebrate!!

The [Victory Party](#) will be this coming **Sunday, July 30th, 3-6 PM** at [Southside Commons](#) in Columbia City. It's a great venue and there's a nice park right outside. Plans in the works include pizza, beer, snacks, music, speeches, and a photo booth. It would be wonderful to have lots of people there from every organization that has contributed to this effort (that's you!) so please come and help spread the word.

And, as you may have seen, [the lawsuits have begun](#). At our meeting last Tuesday we discussed the need to keep our coalition together as we navigate the legal process. Although none of us knows exactly how this will play out, we should be prepared to pack courtrooms and to take other public actions. **And make no mistake about it, we welcome this lawsuit. We will prevail in court, just as we prevailed with the Seattle City Council.**

Let me know if you have any questions, and we hope to see you all at the Victory Party next Sunday!
