Ok! What did Bogie say at the end of Casablanca? "I think this is the beginning of a beautiful friendship." Of course, we have already started – for the past 20 plus years!

Not a big deal (at all) but it's probably best in the future if you send Newell & I drafts & let us send to Ben & other City staff. I just think they may be more comfortable w us as a "buffer." Just trying to be sensitive to the working styles of city staff who may not be as comfortable as I am working in partnership w/community members.

Ben, per Newell and Lisa's request (attached), I put together this agenda. Could you look at it and modify, and then we can get it to Erik on central staff.

Thanks.
