We couldn't do this without your leadership and good sense of getting things done! Thanks!

Well said.

Thx John for being so accessible over your vacation. You are the best kind of community partner. The very best!

I spoke w Katie after you & I talked and she'll shore up Juarez tomorrow via Byndel. We have our bases covered the best we can!

Dear Councilmember Gonzalez,

It was great to talk with you yesterday. An issue that may have arisen in the past day or two is [REDACTED] Exemptions 1 & 2

[REDACTED] Our attorney has written up this short briefing, which I wanted to share with you. And I have written up a short discussion of business income, which is attached as well.

We are looking forward to Monday. I sure hope you can come to the pre-council meeting celebration with the Mayor and the City Attorney. It would be great to have you speak, as you did so ably and convincingly on May 1<sup>st</sup>.

Looking forward to another important policy advance!

John
