Yes. We met w Greg Narver today. Please let Claire & Knoll know that Ben & I would prefer we NOT contract w EOI, but that we work thru Pacifica's existing contract w the City and ensure that Lowney & Smith be reimbursed thru that contract. Both Ben & I said this to Greg today, but maybe it didn't register.

Newell - please send a note to Greg in the morning reinforcing that preference & copy Ben.

John

The Seattle city attorney's office reached out this afternoon to see about setting up a meeting with Knoll and I [REDACTED] Exemptions 1 & 2

[REDACTED]

Knoll will be there and I will join by phone or in person depending on when we get back from PT.

I think they will meet at 1 pm.
